### 'PREMIUM' ENGINE TREATMENT

**ProKote AF PREMIUM-50** is a metal treatment specially formulated to provide your engine with long-term anti-friction protection. It contributes to a cooler and more powerful, fuel economy and smoother running engine.

Independent tests indicate that friction can be reduced drastically, and consequently anti-friction properties under EP (Extreme Pressure) loads can be increased, in some cases up to 220% (ASTM D-2783). **ProKote AF PREMIUM-50** is designed to work with your engine's lubrication system contributing to...

#### **Increase:**

- Power and performance
- Life of your engine
- Mileage

#### **Reduce:**

- Friction and wear
- Temperature
- Noise and vibration
- Fuel consumption
- Negative effects of cold start-ups
- Repair bills

**ONE APPLICATION WORKS UP TO 50,000 MILES!  
(OR 80,000 KILOMETERS)**

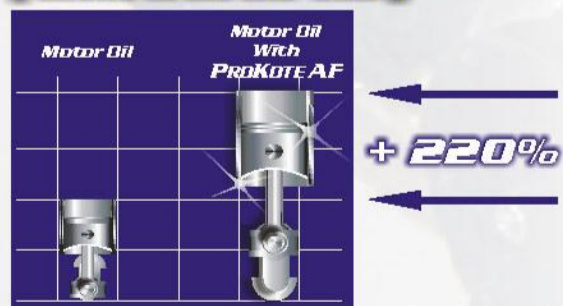

#### **PROKOTE AF PREMIUM-50:**

- Works with all brands of oil, including synthetics
- Does not void engine warranty
- Contains no plastic particles, PTFE resins, molybdenum disulfide or other solids

#### **Use PROKOTE AF PREMIUM-50 in:**

- All types of gas, diesel, alcohol and propane vehicles
- Both 4-cycle and 2-cycle engines
- Inboard and outboard marine engines
- Manual transmissions, differentials and gearboxes
- Bearings, machine tools, marine and mining equipment, pumps and sumps
- ... and many other industrial uses

**IMPROVED  
ANTI-FRICTION PROPERTIES  
(ASTM D-2783 Test)**
