PROKOTE[®] DK
ULTRA-GLOSS • CAR-SHINE

DIAMOND-KOTE

**COMPLETE 'HARD-COAT' PAINT-FINISH
PROTECTIVE TREATMENT**

ProKote DK DIAMOND-KOTE is a perfect balanced ultra-gloss polymer treatment specially formulated to seal and protect your vehicle's paint finish... regardless of its age or condition. One simple application shines, seals and protects your paint with a durable 'hard-coat' finish.

ProKote DK DIAMOND-KOTE is clearly the state-of-the-art complete car-care paint protection treatment for your vehicle!

Shines:

- Long-lasting gloss
- Keeps 'new-look' longer
- Regenerates paint finish regardless of its age or condition

Protects:

- Virtually all type of paint finishes by a penetrating sealing action
- Against weathering prematurely by UV damage and 'hard-rain' (verified by test DIN 53168)
- Prevents discoloration
- Continued water and dirt-repelling action
- Provides a 'diamond-like' hard-coat

**LONG-LASTING SEALING ACTION...
PROTECTS UP TO 12 MONTHS!**

ProKote DK DIAMOND-KOTE:

- Works on virtually all types of paint finishes
- Restores dull and damaged paint surfaces
- Does not pollute the environment

Use ProKote DK DIAMOND-KOTE on:

- Your vehicle's exterior paint finish, including clear-coats
- Cars, trucks, camping trailers, motorcycles, motor homes (RV's), boats, airplanes, etc.
