PROKOTE[®] FT
FUEL TREATMENT • GASOLINE & DIESEL

MEMBER OF

COMPLETE FUEL TREATMENT GASOLINE & DIESEL

ProKote FT is a fuel treatment specially formulated to improve and protect your vehicle's fuel system. While you drive, it flows through the entire fuel system, assisting to keep it lubricated, clean and unclogged, contributing to a cleaner, rust-free, fuel economy and smoother running engine.

ProKote FT is designed to work in your fuel system contributing to...

Increase:

- Lubrication to all fuel system components and cylinders
- Power and performance
- Start-up capability in cold weather
- Fuel condition for complete combustion
- Mileage
- Life of upper-rings and cylinder heads, valves, injectors, spark plugs, carburetors and catalytic converters

Reduce:

- Clogging of injectors, carburetor, fuel tank, filters and lines
- Deposits of water, carbon, wax, gum and emulsified fuel
- Sludge and gum residues from valves and rings
- Fuel inefficiencies minimizing engine dieseling, pinging, knocking and rough idling or stalling
- Gelling effect of diesel fuel in cold weather
- Rust and corrosion formation
- Contaminating emissions
- Fuel consumption
- Repair bills

PROTECT YOUR FUEL SYSTEM... AND YOUR INVESTMENT!

PROKOTE FT:

- Works with all brands and types of gasoline, including diesel fuels
- Does not void engine warranty
- Contains no chlorine, sulfur, alcohol, lead, graphite, or molybdenum

Use PROKOTE FT in:

- All types of gas and diesel vehicles
- Both 4-cycle and 2-cycle engines
- Inboard and outboard marine engines
- ... many other industrial uses
