

**#1**  
WORLD  
WIDE

**PROKOTE<sup>®</sup> FT**  
FUEL TREATMENT • GASOLINE & DIESEL  
**MAXIMIZER**

MEMBER OF

**'BOOSTER' FUEL TREATMENT  
GASOLINE & DIESEL**

**ProKOTE FT MAXIMIZER** works together with your initial fuel treatment of **ProKOTE FT** boosting it for 'maximum' performance. Assists your fuel system in keeping it lubricated, clean and unclogged, contributing to a cleaner, rust-free, fuel economy and smoother running engine. This winning combination will work hard to help you extend the life of your fuel system's components!

**ProKOTE FT MAXIMIZER** is recommended with fuel refills to renew and maintain the volume of your **ProKOTE FT** at its optimum level. It is designed to work in your engine's fuel system contributing to...

**Increase:**

- Lubrication to all fuel system components and cylinders
- Engine power and performance
- Start-up capability in cold weather
- Fuel condition for complete combustion
- Mileage
- Life of upper-rings and cylinder heads, valves, injectors, spark plugs, carburetors and catalytic converters

**Reduce:**

- Clogging of injectors, carburetor, fuel tank, filters and lines
- Deposits of water, carbon, wax, gum and emulsified fuel
- Sludge and gum residues from valves and rings
- Fuel inefficiencies minimizing engine dieseling, pinging, knocking and rough idling or stalling
- Gelling effect of diesel fuel in cold weather
- Rust and corrosion formation
- Contaminating emissions
- Fuel consumption
- Repair bills

**MAINTAIN THE 'MAXIMUM' LEVEL OF PROTECTION...  
IN YOUR FUEL SYSTEM!**

**PROKOTE FT MAXIMIZER:**

- Works with all brands and types of gasoline, including diesel fuels
- Does not void engine warranty
- Contains no chlorine, sulfur, alcohol, lead, graphite, or molybdenum

**Use PROKOTE FT MAXIMIZER in:**

- All types of gas and diesel vehicles
- Both 4-cycle and 2-cycle engines
- Inboard and outboard marine engines

Stop wasting fuel!  
Use **ProKOTE FT MAXIMIZER**  
regularly to minimize fuel loss  
and increase your savings...
