COMPLETE CAR-WASH AND CAR-CARE TREATMENT 'WITHOUT WATER'

ProKote NW NO-WATER is a perfect balanced treatment specially formulated to wash and shine your entire vehicle 'without the use of one drop of water'. Yes... no water is required! It is an 'all-in-one' treatment that is very quick and easy to use... one simple application cleans, seals and shines your vehicle completely inside and out.

ProKote NW NO-WATER is safe and bio-degradable... You can use it virtually everywhere in or on your car!

Waterless:

- Car-wash & shine
- Inside & out
- Any time... Anywhere
- Quick & convenient
- No clean-up

Protects:

- All paints and finishes by a penetrating sealing action
- Against weathering prematurely by UV damage and 'hard-rain' (verified by test DIN 53168)
- Continued water and dirt-repelling action

**SEALING ACTION...
PROTECTS UP TO 6 MONTHS!**

ProKote NW NO-WATER:

- Works on all non-porous surfaces
- Will not scratch paint or finishes
- Does not pollute the environment

Use ProKote NW NO-WATER:

- On your vehicle's exterior as a complete car-wash
- On paints, finishes, clear-coats, glass, chrome, metals, rubber and plastics
- On interior vinyl and leather surfaces and upholstery
- As a tire cleaner... it removes brake abrasion dust from rims and wheels
- As a glass and chrome cleaner
- To remove bugs and tar from windows and paint surfaces
- On cars, trucks, camping trailers, motorcycles, motor homes (RV's), boats, airplanes, industrial and machine parts, etc.
- For a large variety of household and industrial applications
