**"HIGH-GLOSS" PROTECTIVE TREATMENT**  
PROKOTE DMC DIAMOND-KOTE seals, shines, and hard-coats your vehicle's paint. Finish all "in-one-simple" application, regardless of its age or condition. Protection can last up to 12 months. Repels dirt and water. Use to regenerate older, dull and discolored paints.  
**DIRECTIONS:** After washing and drying your car, apply a thin layer over an area no larger than 4 square-feet at a time (for examples a quarter section of the roof, or a half section of a door). Immediately polish with an absorbent cloth.  
**Note:** Not recommended for non-painted surfaces.  
**CAUTION:** If ingestion occurs, call a physician immediately. Keep out of reach of children.
