MULTI-PURPOSE • CAR-CLEANER
ULTRA-KLEEN

'ALL-IN-ONE' CAR-CLEANER

ProKote UK ULTRA-KLEEN is a perfect balanced multi-purpose cleaner specially formulated for an ideal all-around cleaning of your entire vehicle. As an 'all-in-one' cleaner, it is very quick and easy to use... leaving your vehicle completely sparkling inside and out.

ProKote UK ULTRA-KLEEN is safe and bio-degradable... You can use it virtually everywhere in or on your car!

Easy Use:

- Inside & out
- Cleans all surfaces
- Concentrated power
- Quick cleaning action
- Protects all finishes

**USE IT ALL AROUND...
IN AND ON YOUR VEHICLE!**

ProKote UK ULTRA-KLEEN:

- Works on all surfaces that can be rinsed with water
- Is economical
- Does not pollute the environment

Use ProKote UK ULTRA-KLEEN:

- As a complete cleaner for interior and exterior surfaces
- On paints, finishes, clear-coats, glass, chrome, metals, rubber and plastics
- As a tire cleaner... it removes brake abrasion dust from rims and wheels
- On interior vinyl, leather or cloth surfaces, upholstery and carpets (mats)
- As a 'stain/spot remover'
- As a glass and chrome cleaner
- To remove bugs and tar from windows and paint surfaces
- In your windshield-washer system to keep your windshield sparkling clean and clear, free of streaks
- On your vehicle's exterior as a pre-wash (car-wash)
- On cars, trucks, camping trailers, motorcycles, motor homes (RV's), boats, airplanes, industrial and machine parts, etc.
- For a large variety of household and industrial applications
